## Bob and Jane Hurley in Tanzania

*Bob and Jane with Rebecca, Matthew, Joshua and Clare*

## What's The Need?

Tanzania is one of the poorest countries in the world and the Morogoro region is no exception.

People here really need to have the hope and security that comes from knowing that they are loved and valued by God. In this area there are literally thousands of

people who have never heard this amazing news – and unless someone goes and tells them, they never will.

Morogoro Bible College has 35 students, and is strategically placed for sending out students during their final semester to plant churches in the many villages that have not yet been reached by the Gospel.

Graduates often go into full-time ordained or lay ministries or back to their church-planting work.

The 'harvest' is there, the 'workers are there' – all that is lacking is the training.

## Why Bob and Jane?

Bob has a BD in Theology from Cardiff, but is very much a practitioner. He has trained and led mission teams both in the UK and abroad. He is passionate about evangelism, and church

planting, and has recently written a book entitled 'Living Outside The Box', which tells of the amazing growth of All Saints Church in Peckham during Bob and Jane's time there. He will be teaching and training pastors and evangelists to go out and plant churches in villages where the Gospel is not well known – but it will probably be impossible to confine him to a classroom – he's going to want to be out there doing it too!

Jane, the granddaughter of a missionary who taught pastors in Uganda, is a Bible teacher and a trained counsellor, with a specific heart for reaching young women and mothers. She has been involved in school development and in running parenting courses. She has worked alongside Bob in the many different churches they have been involved in, as well as being a mum to their four children.

## What now?

Following on from the excellent work that previous mission partners Paul and Philie Hunter have put in over the last nine years, Bishop Dudley Mageni (of the Diocese of Morogoro) and the Principal of the Bible College have asked Bob and Jane to come out for an initial period of three years to teach at the college. Will you help Bob and Jane in this continuing work?

Here are some examples of how your help could be used:

- **£10 per week** for the water and electricity bills
- **£35 per month** for healthcare for the whole family
- **£600 per quarter** for travelling costs within Tanzania (which will include overseeing their students in church planting)

## Working Together

Not many people are called to go and live and work in areas like these, but everyone can be partners in this crucial work. Please consider partnering with Bob, Jane and their family in their desire to obey The Great Command that Jesus gives by serving in Morogoro, through prayer and financial partnership.
